

**ASC X12 STANDARDS
ERRATA * REPORT
PUBLISHED FOR TRANSACTION SET 999
IMPLEMENTATION ACKNOWLEDGMENT**

SECTION: DATA ELEMENT DICTIONARY

In Data Element 618, add the following code:

I5 Implementation One or More Segments in Error

Code I5 was inadvertently omitted from Data Element 618 when Transaction Set 999 was approved for publication in February 2003. Therefore, this publication errata applies to all ASC X12 standards releases and subreleases from 4061 (February 2003) to 6012 (June 2009).

*Errata are defined as: 1) publication variances from approved X12 Committee actions (publication errors), or 2) editorial corrections such as spelling, punctuation, spelling out abbreviations or acronyms, etc.
