

Member Proxy Voting Authorization

A voting proxy may only be used in the absence of the designated primary and alternate representatives.

A proxy vote is permissible only when a properly completed and endorsed proxy form is verified prior to the start of the General Session at which the proxy applies. Completed authorizations are accepted for verification:

- When submitted by the member's primary representative at least 3 days prior to the General Session via email to info@x12.org
- When submitted by noon on the day of the election by the Proxy designee at the registration desk.
