Order Now & Save 25% off Version 5040

*Order & pay by June 15, 2007 and receive 25% off
the Latest Annual Release - 5040 - of X12 Standards!*

5040 Releases, including Table Data, CD-ROM, and Paper/bound versions

The 5040 release contains a complete set of the X12 standards (315+ transaction sets!) used in EDI. Table Data contain raw data - all the syntactical and textual information found in the X12 standards - intended for uploading to a syntax analyzer or other application.
