

Sign-up for CICA Training at the September ASC X12 Meeting in Los Angeles

There will be a full day of introductory Context Inspired Component Architecture (CICA) training at the upcoming ASC X12 meeting at the Wilshire Grand Hotel in Los Angeles on Sunday, September 23, from 8:00 a.m. – 4:00 p.m. (*note: the Friday, September 28 session has been cancelled due to low enrollment*). The CICA Training is available free of charge to all X12 meeting attendees.

Please RSVP for CICA Training by emailing jobrien@disa.org (*note: we need a 12-person minimum to run each session and we will advise all registrants no later than the week of August 6 if there is a session cancellation*).

CICA Course Highlights

- ✚ Learn about the benefits of using CICA
- ✚ Understand the basic structure of CICA
- ✚ Use the CICA Output Reference Document (CHM file) to find & interpret CICA constructs
- ✚ Build a CICA Document using best practices
- ✚ View a CICA message in the GEFEG.FX® CICA Editor
- ✚ Use the CICA document created to demonstrate the XML Schema in Altova XMLSpy®
