

Partnering for Electronic Delivery  
of Information in Healthcare

**ASC X12-WEDI HIPAA Pre-conference on X12 005010 Transaction Enhancements**

*Delivering data exchange solutions for the entire health care industry*

Held in conjunction with the 17<sup>th</sup> Annual WEDI National Conference

Hyatt Regency Baltimore on the Inner Harbor

Monday, May 19, 2008, 8:00 a.m. – 5:00 p.m.

WEDI and ASC X12 are pleased to offer their first joint HIPAA Conference on X12 005010 Transaction Enhancements. Attendees will hear from a repertoire of subject matter experts on how implementation of X12 005010 transactions, proposed for adoption under HIPAA, addresses numerous industry-requested requirements. In addition to sessions on global changes across all affected transactions and the value proposition for upgrading to 005010, there will be sessions covering business, technical and structural improvements and changes transaction-by-transaction.

**Register today** to ensure you're ready for the much-anticipated new HIPAA Notice of Proposed Rulemaking (NPRM) and resulting regulations!

ASC X12 & WEDI Members: \$295

Nonmembers: \$345
