Membership Application

Each member organization is entitled to name one Voting Representative and one Voting Alternate. All other benefits apply to all employees, including affiliates, divisions, subsidiaries and partnerships.

If you are associated with a parent organization that is already a member, you may choose to apply for your own membership, which would entitle you to additional voting representation. Affiliate, division, subsidiary or partnership dues are calculated in one of two ways:

1. If your parent organization is not a member of ASC X12, dues are based on the gross revenue of your parent company.
2. If your parent organization is a member of ASC X12, and you wish to have your own membership and voting privileges, dues are based on the gross revenue of the affiliate, division, subsidiary or partnership you represent.
