Note that not all draft TR3's have public comment periods. By policy, except for "emergency" changes, those from the Insurance Subcommittee (X12N) do. Other subcommittees follow varying review and comment processes.

During the public comment periods for those TR3's that use a public comment process, and for an indeterminate time thereafter, copies of draft TR3's are available for free download from <http://store.x12.org>. Prior to public comment
